

The 1st Annual "Putt 4 Paws" golf tournament benefiting the Dorothy O'Connor Pet Adoption Center (DOCPAC), will be held on Saturday September 23rd at Riverside Golf Course. This is DOCPAC's only fundraiser this year to help support our shelter animals.

You are invited to join this year's sponsors! A separate sheet with sponsorship levels is attached for your consideration.

DOCPAC is a no-kill facility that rescues homeless animals and has placed into loving homes thousands of pets throughout Victoria and beyond. Education about pet care and safety is always at the forefront when DOCPAC works with schools, agencies and businesses throughout the Crossroads area. All proceeds from this event will go toward the continuing effort to care for these animals until they are placed in forever loving homes. *DOCPAC is a 501(c)(3) non-profit organization.*

Thank you in advance for your time and consideration in supporting our benefit golf tournament!

Sincerely,

Jennifer Werland
Executive Director
